Corn Cob Club formed.

A new club has been formed among the lads in 491. Not an officail one, but still a very good club.

The name is the CCC club, or CornCobClub. To belong to it, and remeive the benefits of it; you must smoke a corn cob pipe.

It all started when the EA came into camp last night with a special Missouri Meerscham pipe. By ten this morning the club had jumped to eight members, all sporting pipes. Ike Pullens, John I, Shaver, Walker, Pritchard, Pate, Dawson and so far the members, with a host more to join.

491'S FIGHTING LADS OF THE GRID* IRON TAKE JEWELL TOWN TEAM 39-26.

In a game replete with many thrills and well played by both teams the lads from 491, assisted ably by Coach Adams of the WHS, Kindred and Al Norbock, exhigh school players; smothered the Jewell Town team on Jewell's field yesterday.

when Peto Mandon blocked a forward pass, caught it, and ran it over. for a touchdown.

The second touchdown came when Adams passed to Crow on Jewell's 20. He ducked a couple of players and went over. Adams kicked both goals.

Jewell came back with two touchdowns but failed to convert, m d the score stood 16-12.

m d the score stood 16-12.

A little later Crow passed to Professor Cinther in the clear for another touchdown. Then Crow to Alford for another, and the last one came along when, a benind some good blocking and with some open field running the Professor went over for another.

Well, from Crow, Fenner, Adams, Kindred, Norbeck, Austin Smith, Alford, Duke, Mandon, and little Curly something-or-other, we don't remember his last name. At center Benjamin stocd out.

Points scored:
Adams, 6; Bonjamin, 1; Alford, 6;

Coming to lesser important games Saturday, USC will kick the teethwork out of the farmer . lads from OSC by two touchdowns, Oregon will take WSC, UCLA will take U of C., and Notre Dame will take the Army.

To get back to the top game . of the week-end, the kickoff is scheduled for two o'clock. (in the awftahnoon)

Warrenton Oregon Monday November 6

491 OUT OF ROSE BOWL CLASSIC! When Jewell tied Co 491 CCC on the Mudde Bowle yesterday afternoon, 6-6, they tossed 491 out of the Pasadena Rose Bowl affair.

CCC

Untied and unbeaten up to yesterday's game, Co. 491 was all set, even had reservations on the Portland Rose ordered, to go to Pasadena to play Tennessee on New Year's day.

In the major upset of the country, Jewell got all the breaks to mar 491's perfect season record.

For 491, outstanding were the line play of Mandon, Crow, Jim Kindred, Al Norbeck's cool backfield play and his tackling, Crow's passing, Alford's pass. catching and pass defense, and the broken-field running of EA Ivan Ginther.

Jewell got their score on a pass over the goal line which Alford knocked down, but right into the arms of a Jewell player who was sliding on the ground. A break, indeed.

Les Smith, Charley Brantley and Ma Fenner gave a good account of themselves while they were in the game.

Touchdowns: For Jewell Van Lom.

For 491, Ginther.
Rumor has it that the Gravy
Bowl, or mayhap the hicken Bowl Sunday dinner, really was what. threw the gridiron lads out of the Rose Bowl.

OFFICIALS

yesterday were Romey Adams, WHS coach; referee; (He called a fine game) Chaplain Miller, head linesman, Luke Williamson, holder of the chain, and timekeeper, Benjamin.

A WORD OF APPRECIATION

to the good sports who sat on the bench yesterday, not getting to play at all, or just a little. Plans were to get ahead a touchdown or two and then run in all the fellows suited up, but things took on a different complexion right from the first.

A slip of one play and we would have lost, so we kept the fellows

in who were doing all right, Curly Stancell, Pinky Kindted, Les Smith, Satchel Walker, Ma Fanner, "Ivin Whitmire, Hopper, all sat throughout most of the game, not complaining, tho they wanted to play.

Good sports, all.

Several more bright remarks came 'from others, something about webbed feet, etc etc, and the work whistle blew, ending the affair, for the EA had to go to work.

LOSE TOUGH ONE

in the Astoria City League last night; 38-32. Trailing at half time, 15-14, the local lads from 491 slowly stayed behind and when the whistle or pistol shot a blank they were on the short score of the game.

The lads played well but one tall rascal on their team. so tall that if he grows another inch he'll fork out again, kept getting the balloff the backboard and keeping it out of our reach. Too bad.

LOSE ONE, 28-25.

The Gilmore Oilers, runner-up in the State Tournament last year, nosed out our lads 28-25 last night on the WHS floor. It was nip and tuck all the way.

The last play decided the game. We were trailing, 26-25, when Almeda was fouled. Smith, Captain, decided to take the ball out of bounds instead of shooting the free shot. The subs on the bonch, however, wolfed so loudly that he let Almeda shoot it, and miss.

What was the correct play? The correct play was the one the Captain wanted to play.

They finally overcame a six-point lead in the closing minutes of the game to defeat The Flashy Five last night, they did, The Unhappy Eleven, (ten players and the referee) but it took all ten men of the squad to defeat the five iron men who came within one basket of tying the affair.

In fact, there is some room for protest, as there was a basket made that wasn't counted .because-the scorekeeper couldn't yell loud enough to denote the end of the game. The rules say that the timer's gun ends the game, but the timer didn't have a gun, so the protest stands. Approximately 700 visitors roamed around thru Co. 491 yesterday, observing the seventh anniversary of the founding of the CCC

They were assembled in the Auditorium, what could get in, and entertained by the KAST Broadcast Band, the Southerners, for a half hour or so, then Lt. Parrott introduced Mr. Zundell, County Agent, who spoke; Mr. Howell, of the OSC Experiment " Station, who told of the beginnings in this work the camp is now doing; Judge Barlow, who traced the very beginning of this camp and its work and the subsequent history up to now; Mr. Ginther, EA, who told of the work the Educational Dep't is carrying on; follwwing which Lt. Parpott described to the crowd the details of the camp, the different calls, how long the lads work, and so on.

The guests were then shown around camp by Lt. Parrott and Mr. Ginther, going thru all the Barracks, Mews Hall, Rec Hall, Supply Room, etc etc, and were then taken to the mess hall where lemonade and cookies were served.

After that guides showed them the different points of interest around camp, some of them were taken out on the projects, and Anniversary Day had passed into the history of Co. 491.

RUNNERS UP.

491 lost to Dahlia Dairy last night, and ended the season in that league as runners-up for the championship. Not bad, considering. we lost three of the regulars before the second half started, or shortly thereafter, and we had to play a team unused to playing together. The final score was 42-30, with Professor Ginther and Pete Mandon tied for high point honors for us with 8 points each.

Thus the curtain was rung down on a very very successful season of basketball for 491.

HUGE CROWD AT ANNIVERSARY.

Approximately 700 visitors roamed around thru Co. 491 yesterday, observing the seventh anniversary of the founding of the CCC

They were assembled in the Auditorium, what could get in, and entertained by the KAST Broadcast Band, the Southerners, for a half hour or so, then Lt. Parrott introduced Mr. Zundell, County Agent, who spoke; Mr. Howell, of the OSC Experiment " Station, who told of the beginnings in this work the camp is now doing; Judge Barlow, who traced the very beginning of this camp and its work and the subsequent history up to now; Mr. Ginther, EA, who told of the work the Educational Dep't is carrying on; follwwing which Lt. Parpott described to the crowd the details of the camp, the different calls, how long the lads work, and so on.

The guests were then shown around camp by Lt. Parrott and Mr. Ginther, going thru all the Barracks, Mews Hall, Rec Hall, Supply Room, etc etc, and were then taken to the mess hall where lemonade and cookies were served.

After that guides showed them the different points of interest around camp, some of them were taken out on the projects, and Anniversary Day had passed into the history of Co. 491.

RUNNERS UP.

491 lost to Dahlia Dairy last night, and ended the season in that league as runners-up for the championship. Not bad, considering. we lost three of the regulars before the second half started, or shortly thereafter, and we had to play a team unused to playing together. The final score was 42-30, with Professor Ginther and Pete Mandon tied for high point honors for us with 8 points each.

Thus the curtain was rung down on a very very successful season of basketball for 491.

RECORDINGS NADE.

Last night at KAST the breadcast band made quite a few recordings of the more popular songs requested for each Saturday night. Slim and Hank made several; Nichols and Wilks made. some, and the prize one; one that will go down in history, or go down somewhere, is the one made by Lt. Parrott and Professor Ginther, It Makes No Divverence Now. It is planned that, when the rats get too numerous in the supply room, in the kitchen, or in the canteen, to play the thing on our speaker system and run 'em out. If they just don't die before they get run out, we'll be all right. Otherwise we may find buzzards stomping up and down outside those places, picketing the place.

PRIZE WISE CRACK

TOO BAD.

After starting out with , a five to nothing lead in the first inning, holding a seven to two lead in the fifth inning, pitcher Blenkinship sprained his ankle on second base and had to retire, Sarge Farrell went in and was a bit wild, filling the bases, and after the smoke from the inning cleared, we were on the losing end of an 8-7 score.

The streets of Astoria must be full of pencil vendors after school hours, judging from the umpiring.

But it w as a lot of fun, we got a lot of sorely-needed batting practice for the game at Tillamook Sunday, so it makes no difference, now.

SOUTHERNERS WIN 7-6.

On Ye Olde lumpy Grasse Bowle yesterday, under a blazing sun in a deep blue sky and before the largest crowd ever to witness a baseball game in Warrenton, the Southerners from 491 trimmed a strong team from Astoria, 7-6.

It took eleven innings to do it, but it was done. Jawn pitched swell ball all the way, keeping the hits well scattered. The game stood 6-6 from the seventh inning on. In the eleventh, Pete mandon hit one thru short, Austin Smith bunted and made it, sending Pete to second. Professor Ginther then sent Pete home with the ball game with a screeching hit into center field.

play two games in a row here, Warrenton townies next Sunday, Jewell, here, June 2.

This morning Shaver told KP Cofield to put some vinegar on the tables, for the spinach, and Cofield asked, "do you want sweet linegar, or sour vinegar?"

So, Shaver told him sweet and sent him down to Charle y's place to get the barrel that came in. From there hewas sent to Lt.

Holland, and from there to the SCS loading platform, back again to the SCS garage, and round and round until he realized he was getting the run around. He was finally told there was just one kind of vinegar. Tsk tsk.

Several of the lads we hadn't thought could play showed up pretty well at the plate and in the field, and we may have a team that won't lose too many around here.

LOSE FIRST GAME, BUT PROTEST. .

In the opening game of the Astoria Softball League last night The Southerners played Eastern Outfitting Co., and lost, 10-7, in eight innings.

Lt. Parrott drew No. 1, and Eastern drew No. 2, so we played. We were ahead up to the sixth inning, when they tied it up necessitating an extra inning or two.

The game is protested due to the action of the home plate umpire, who held up his hands meaning to give the count on the batter, but who uses the same signal to call time out. This caused a balk and a run to come in.

So, the game is protested. And, as it doesn't count, the summary won't be put in here.

ONE THING

the game did bring out, however, was the fact that we really are going to have a good team. With a little more practice we'll be able to match any team in the league, and we mean any team.

JAWN

checked one at Sam Phillips yesterday. Sam asked about the score of the ball game Sunday, and was told, 15-3. He said: "I wouldn't tell anybody about a game like that, I'd be so ashamed," and Jawn said:

"We wouldn't tell anybody if some "#\$%_&' fool wouldn't ask about it."

of the various teams will have to be contacted before the rest of the schedule can be made out.

The problem is, how many times shall each team play each other to make a first-half, season, and how many games shall he played a week. Also, when should the League-play end?

If we play too often the affair will be over with before spring has fully sprung.

ONE OF THE BEST

This isdeal picture weather and many are the fine pictures that can be made now; and that can be looked upon many years from now.

MUST BE HONGRY.
Last night Austin, Sprayberry and Macon K went to the big town of Warrenton and got a sandwich. Underneath the thing they put a napkin, and when Austin . Leon got through eating the thing he tried to carve a slice out of the napkin and eat it.

Wonder what he thought it was, or what he was. Maybe it had some gravy on it.

bast night on Gyro Field the Rebels from 491 took on the strong ptegrove team of the B League and when the dust settled, the score stood 18-3, favor the Rebels, in five innings.

SOUTHERNERS 13, O'BRIEN GRAM, 9.

What was supposed to be a cinch victory for The Southerners on Gyro Field last night almost turned into a defeat when they played the O'Brien Gram Spruce softball outfit.

O'Brien hadn't won a game this year, and were topheavy favorates to lose by a big score, but when the sixth inning rolled around, the score stood 9-2, their favor.

At this point the Southerners decided it was time to start things off, so, when Jawn was safe on first on an error, we really started hammering that ball. Singles, doubles, triples, home runs came in a flurry that left the opponents worn and weary and wilted. ..

When the dust had settled in the last half of the seventh inn- . ing the score was 13-9, we having made eleven runs while they got nary a one.

Homers by Stone and Prof Ginther, a triple by Charley Brantley, and a double by Lt. Parrott drove in a flock of runs that really got things going, while Pete Mandon's four hits out of six trips to the plato helped immensely.

But it was a scare. No more overconfidence for us, no matter if we're playing Eastern, even.

"IIm just temperamental."
"Yeah, 98% temper and 2% mental.
